

ECONOMIC IMPACT STATEMENT

K.A.R. 115-4-13. Deer permits; descriptions and restrictions.

DESCRIPTION: This permanent regulation establishes types of deer permits offered by the department, and restrictions regarding who may obtain them. The proposed amendment would allow the use of game tags on designated public lands.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: By itself, the proposed amendment would not have any economic impact on the public or on other agencies, because this regulation only defines permit types. There will be a minor impact on the department in reformatting the game tags themselves but the impact is negligible.

ALTERNATIVES CONSIDERED: None.
