

ECONOMIC IMPACT STATEMENT

K.A.R. 115-25-14. Fishing; creel limit, size limit, possession limit, and open season.

DESCRIPTION: This exempt regulation establishes statewide limits and open seasons for fishing in Kansas. The proposed changes relate to removing the length limit on walleye, saugeye and sauger on streams and rivers, allowing floatline fishing year round and 24 hours a day, updates to the reference document related to length and creel limits for specific bodies of water and the addition of one trout water.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed changes would likely have no substantive economic impact to the department, other state agencies, small businesses, or the public.

ALTERNATIVES CONSIDERED: None.
