

ECONOMIC IMPACT STATEMENT

K.A.R. 115-25-1b. Pheasant; open seasons, bag limits, and possession limits.

DESCRIPTION: This new proposed exempt regulation establishes hunting seasons, bag limits, and possession limits for pheasant. The proposed change different from previous pheasant seasons includes having an open season statewide on the first Saturday in November beginning in 2006.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: It is not anticipated that the amendments would have any substantial economic impact on the department, the general public, or other agencies.

ALTERNATIVES CONSIDERED: None.
